## DDOT Helpful Hints

DDOT knows even with all the fun and excitement of the Super Bowl, you need to get to work and school. Here are some tips to remember:

- The detours are on bus routes going in and out of downtown ONLY.
- All buses that travel the downtown areas between I-375, I-75 and M-10 will go to the Capitol Park transfer center. Capitol Park is also close to Campus Martius, Cobo Hall and other downtown locations where you can enjoy Super Bowl events.
- From January 27-February 8, SMART's transfer point will be at Times Square, just two blocks west of Capitol Park.
- Look for DDOT Transit Ambassadors, wearing yellow vests, to answer your questions and help you navigate the detours.
- Leave early. DDOT anticipates that traffic detours and congestion may delay service across the entire DDOT system.
- If you or your child takes a bus that travels through downtown, familiarize yourself with possible detours and bus stop changes.

Use this information to help you get around downtown during Super Bowl XL and for more information, call DDOT customer service at **313-933-1300** or visit us online at **[www.detroitmi.gov/ddot](http://www.detroitmi.gov/ddot)**
